**FOR IMMEDIATE RELEASE**

### **Tom Meyer Receives RCMA's Martin A. Davis Industry Leadership Award**

WASHINGTON, DC – The Roof Coatings Manufacturers Association (RCMA), a national trade association representing manufacturers of cold applied protective roof coatings, cements, and suppliers of industry products, recently awarded Tom Meyer, technical director at Coating & Foam Solutions, as the recipient of the RCMA's prestigious Martin A. Davis Industry Leadership Award for 2012.

Meyer is the 28th recipient of the Martin A. Davis Industry Leadership Award and was presented with this honor at this year's RCMA Annual Meeting, February 20, 2012, at the Rosen Plaza Hotel in Orlando, Florida. The Martin A. Davis Industry Leadership Award is the highest honor bestowed by the Roof Coatings Manufacturers Association. The award is presented

annually to an individual, selected by his or her peers, who has exemplified outstanding service and made significant contributions to the roof coatings industry. The award was first presented in 1985 posthumously to one of RCMA's visionary founding members, Martin A. Davis, and subsequently designated in his memory.

“In the tradition of past winners of the Martin A. Davis Leadership Award and Mr. Davis himself, Tom Meyer has repeatedly worked toward the advancement of the entire roof coatings industry through education, technical programs, and promotional activities,” said Reed Hitchcock, executive director, RCMA. “His hard work and leadership have set a new standard and we are delighted to have him continue as an active leader within the organization. This is a well-deserved honor and long in coming.”

Tom Meyer currently serves as a member of the RCMA Board of Directors, Officer and Co-chair of the RCMA Solar Reflective Coatings Council. Meyer lends his expertise to implement industry promotional programs, and actively plan programs to respond to targeted government and regulatory issues, and technical matters.

#### **About RCMA**

The Roof Coatings Manufacturers Association (RCMA) is the national trade association representing manufacturers of cold applied protective roof coatings and cements, and suppliers of products, equipment, and/or services to and for the industry. RCMA is committed to continually improving performance and quality of roofing. For additional information, contact RCMA at: (202) 591-2452; Fax: (202) 223-9741; or visit the RCMA website at [www.roofcoatings.org](http://www.roofcoatings.org).
